**Three ASPRS Regions have first joint meeting**

The first ever joint meeting between the Central New York, Eastern Great Lakes, and Western Great Lakes Regions took place on October 26, 2004. The meeting was held during the RDX Conference in Detroit, MI. Agenda items included:

- Member recruitment efforts
- Scholarship programs
- Great Lakes Remote Sensing issues
- Great Lakes Observing System
- Great Lakes Coastal Mapping
- Joint EGLR and WGLR meeting on the S.S. Badger (Lake Michigan Carferry)
- 2005 Spring Annual Conference in Baltimore
- 2005 Fall Pecora Conference in Sioux Falls

The carferry meeting will include a technical program, officers' meeting, and a chance to meet and talk with our neighbors in the WGLR. It is tentatively scheduled for early Spring 2005. More details will be included in upcoming newsletters.

The EGLR held a board meeting and discussed the functions of three new committees: Bylaws, Nominating, and Membership.. These committees will focus on member recruitment, bylaw revision, and review and nomination of board members as current terms expire. ☺

*Kathy Peila*

**Nominating Committee is seeking candidates for offices**

The Board has appointed a Nominating Committee of Jason Heywood, Kevin Chappell, and Carolyn Merry, with Jason as Chair. Suggestions of candidates for President, Vice-President, one Regional Director and our National Director can be sent to any member of the committee. We have asked for a completed slate of candidates by December 3rd so we can have the election in December and install the new/continuing officers at an Annual Meeting to be held in the Toledo-Cleveland corridor in January. ☺

**EGLR is winner of the *Region of the Month***

Special recognition was given to the EGLR for their commitment to the society and for sponsoring 11 new members during the month of September. Notice of this is in the November PE&RS Journal on page 1221.

Below is the program for the December 10th Technical Meeting of the Eastern Great Lakes Region of ASPRS.

While there will be no registration fee, we would like some idea of how many people will be coming.

Please RSVP to me, Chuck Olson, EGLR National Director  
colson147440MI@comcast.net.

**Eastern Great Lakes Region
