Chuck Olson and Lloyd Herd

Lloyd Herd is interviewed for Oral History

To begin the ASPRS Oral History, Chuck Olson interviewed Lloyd Herd on July 10. When asked if he knew Syd Parks, Lloyd said "We used to go to meetings together. He'd fly up, and we'd drive down to Washington. I didn't join up until, I think '37. He signed me up." There is more to this story plus many other remembrances that will make this oral history fun and fascinating reading.
